- The pain you are experiencing may be improved, but not eliminated, with the use of narcotic pain medication.
- Once pain medications are prescribed you will be required to have regular office visits to assess your pain status. Your medications will not be phoned in should you be unable to keep these appointments.
- This office fills pain medications for surgical patients only. They are not filled indefinitely. After a period of time your doctor will taper your medications for discontinuation. If discontinuation is not possible or you are not a surgical candidate you will be referred for long-term pain management.
- Your treating physician is to be the only physician who prescribes narcotic pain medications to you.
- It is your responsibility to notify us of any other physician who is prescribing narcotic pain medications to you. It is also your responsibility to inform other physicians that we are prescribing and managing you narcotic pain medications.
- Individuals must be aware that " doctor shopping " is viewed as narcotic drug seeking behavior and is not tolerated. Should this type of behavior occur, your narcotic pain medications will not be refilled and you will be dismissed as a patient.
- Excessive calls requesting pain medications or an increase in the dose or frequency of your pain medications is viewed as drug seeking behavior and is not tolerated. You will be asked to make an appointment to see the doctor before any changes are made.
- Pain medication refill requests are taken and called in MONDAY thru FRIDAY from 8:30 am to 3:30 pm ONLY. PRESCRIPTION REFILLS ARE NOT TAKEN OR CALLED IN ON SATURDAY, SUNDAY, HOLIDAYS, OR AFTER HOURS FOR ANY REASON. We guarantee prescription refills will be processed within 48 hours of the request.
- Federal and state law carefully regulates dispensed or written prescriptions for narcotic medications. Forging or altering a narcotic prescription, or distributing medications to others of their use or for money, is a crime. Such behavior is not tolerated. You will be dismissed as a patient and be reported to the DEA, Police and FDA.
- Lost, stolen, or misplaced prescriptions or medications ARE NEVER REPLACED- NO EXEPTIONS. Your medications and prescriptions are your responsibility.
- Narcotic pain medications may cause sedation and dizziness. You should not drive an automobile nor operate any machinery when taking medications.

Informed consent: I,____, have been informed and clearly understand the above listed issues regarding the treatment of pain with narcotic pain medications. I understand that this agreement will be filed in my chart as a part of my permanent medical record.

Financial Policy

Thank you for choosing "Oklahoma Sports Science & Orthopaedics" as your healthcare provider. At OSSO we are dedicated to providing the highest quality, most cost effective care specializing in Adult & Pediatric Orthopedics, Sports Medicine, Running Injuries, Physical Medicine and Rehabilitation, Pain Management, Reconstructive & Orthopedic Spine Surgery and Hand Surgery.

In additional to accepting traditional insurance plans and Medicare we are contracted with numerous, Preferred Provider Organizations (PPO) and Health Maintenance Organizations (HMO). Because each plan is different and constantly updating providers participation status, please check with your particular plan to make sure we are currently participating in your network. We ask that you assist us in maximizing your insurance coverage by cooperating fully in all referral, prior-authorization and pre-certification processes. **Please be aware that all insurance carriers do not consider some services rendered a covered benefit. It is important that you are aware of your insurance policy provisions of coverage.**

Accurate, up to date information is the patient's responsibility; please notify our office of any changes in your insurance or personal billing information. Please bring to each appointment your current insurance card, or any other information that is required by your insurance carrier. By maintaining updated information this ensures that your medical claims are filed correctly and prevents any unnecessary delays in processing your claim.

Payment for all co-insurance, deductible, and non-covered services are due at the time of service unless special payment arrangements have been made. Payments can be made by cash, check, money order, Visa, Discover Card, American Express or MasterCard. We do have a payment plan for patients who have financial concerns. Please notify our office at 692-3700 to make payment arrangements. **Please be aware that charges for physical therapy, durable medical equipment, laboratory testing, anesthesia, hospital, ambulatory surgery facilities and some radiology services may be billed separately.**

If your injury was due to a Motor Vehicle Accident you will be set up on a self-pay account for any charges incurred up to $500.00. If charges exceed $500.00, a claim will be filed with the third party insurance carrier. In order to file this claim, complete billing information will be requested from the patient. A lien may be filed with the third party in order to ensure payment to the Physician. **Please note that not all OSSO Physicians will accept third party/ MVA patients.**

There is a $35.00 charge for any FMLA, disability or accidental form completed. This charge is applicable per form completed and is payable prior to completion.

If you require surgery or other invasive procedures and are scheduled at Community Hospital at Saints North or Northwest Surgical Hospital, please be advised that your physician may have ownership in those facilities. If you wish, you may request another facility.

Again, thank you for allowing Oklahoma Sports Science & Orthopaedics to participate in your care.

Sincerely,
OSSO Physicians & Staff

Appointment No Show and Late Policy

Appointment No Shows

A NO SHOW appointment is a missed appointment without notifying our office 24 hours prior to scheduled appointment. If your appointment is scheduled for a Monday, we require notification no later than the Friday prior to your appointment.

- The first no show will result in a call or email reminding you that you have missed your appointment and will need to reschedule for another day.
- The second no show will result in a call or email and a $50.00 charge to the patient, not your insurance company. This must be paid prior to scheduling your next appointment.
- The third no show will result in a dismissal from the practice.

Late Policy

We understand that even the most punctual person can occasionally run late. If that is the case, please call us prior to your appointment time so we can get you rescheduled. If the schedule allows, the appointment time will simply be shifted to accommodate the delay. However, if the tardiness can't be accommodated, we will reschedule your appointment for another day. If you are late to your appointment, but do not call us prior to your appointment time, we will give your time away to another patient.

- Patients arriving early or on time will be seen in the order they were scheduled.
- Post-operative patients arriving 10-30 minutes late will be seen, but will have to wait while we see patients who arrived to their scheduled appointment on time.
- Non Post-operative patients arriving 10-30 minutes late will be asked to reschedule.
- Any patient arriving more than 30 minutes late will be asked to reschedule.
